

The Regis Sprint

At GOODWOOD MOTOR CIRCUIT

Saturday 26th April 2025

FOREWORD

Bognor Regis Motor Club Ltd are pleased to present our annual **Regis Sprint** at the Goodwood Motor Racing Circuit on Saturday 26th April 2025.

As in the past couple of years we will continue to run a paperless event. All forms will be digital.

As regular competitors will know, the 2.4-mile-long circuit is one of the fastest and most challenging you'll ever get to drive. Often described as the spiritual home of motor racing, it has witnessed some fine performances by many of the great racing drivers of the past, and now continues to do so following its revival for historic racing in 1998.

The event is a round in three regional championships ASCMC, ASEMC and the All Circuit, and we welcome back the Lotus 7 speed championship, the Woodford Trailers / HSA speed championship, the MGCC Speed Championship and the 7 Oaks & District MC Insite Graphics Speed League Championship. We also this year to encourage new competitors we are running a class for junior drivers.

We look forward to welcoming back old friends and meeting new ones.
